

Thomas Varghese
Chief Executive Officer
Aditya Birla Retail

We want to take our network of stores to 720-730. So we will open 80 stores... We

may close another 10-20. This financial year, we are focussing on hypermarkets. We grew by more than 110 per cent last year. We may not be able to keep up that scorching pace, but we'll grow by about 40-45 per cent this year.
